ODYSSEY DANCE COMPETITIONS

FINAL VOYAGE SHOWCASE

OKLAHOMA CITY, OK REGIONAL

EACH STUDIO MAY CHOOSE EITHER THEIR TOP SCORING NUMBER OR TEACHER'S CHOICE (EXCLUDING SOLOS). THE SHOWCASE WILL BE APPROXIMATELY 45 MINUTES, AND WILL DIRECTLY FOLLOW THE LAST AWARDS SHOW ON 6/28/2020.

Out of courtesy to everyone in attendance, we recommend that you wear a mask and practice social distancing. Please do not enter the competition if you have the following COVID symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

Odyssey Dance's procedure will be as follows:

1. Dressing Rooms: Odyssey Dance will provide each studio with their own space in the dressing room. It will be up to the studio to determine the social distancing within each studio while in the dressing room area. For any dancer uncomfortable changing in the dressing room, there will be bathrooms both backstage and all throughout the venue.
2. Sanitizing: Odyssey Dance will provide multiple hand sanitizing stations at the following locations - the entrance, merchandise/registration, backstage, and dressing rooms. We will wipe down all awards and constantly Lysol backstage. We have cleaned and disinfected our flooring thoroughly, and will do so before and at the end of the event each day.
3. Audience Seating: Odyssey Dance is working with the National Cowboy & Western Heritage Museum to provide social distancing in the seating area.
4. Masks: Any Odyssey Dance Staff in contact with studios/guests will be wearing a mask. Dancers are welcome to wear masks when performing if they choose.
5. Awards Presentations: Odyssey Dance will be doing more awards presentations to minimize the number of dancers on stage at once, as well as spectators in the venue.
6. Live Stream: Odyssey Dance will be live streaming the event on Facebook (@odysseydancecompetitions) for anyone who does not feel comfortable attending the event.

At The Cowboy there's no measure to how much we value your safety

Acres and acres of event space – perfect for social distancing for your large groups!

Spreading out comes naturally in the West. Cowboys have been giving each other plenty of space since long before it was a CDC recommendation. The Museum offers a vast amount of indoor and outdoor space. Let our team help you with creative ways to distance guests, setups and event activities. Space capacities will be based on current CDC guidelines at the time of your event.

Guest list bigger than the room?

Online streaming of special moments can help bring an audience together around a unified message. Let us use the best in audio-visual technology to bring your message to people onsite and through live streaming and bring anyone to your event with video conferencing.

Measures we're taking to protect you and your guests.

Cowboys have often covered their faces to protect themselves. Our staff is wearing coverings for your protection. Masks are recommended (but not required) for guests where safe and age-appropriate. Cattle trails were known to be dirty 'n dusty, but not the Museum! We have increased cleaning and sanitizing of all common areas, including tables and chairs after every use.

An ounce of prevention is worth a pound of cure.

While cowboys don't always have the opportunity to keep up with personal hygiene while hard at work, here at The Cowboy we've made it easy. Hand-sterilization stations have been placed throughout the Museum, and handwashing reminders have been posted in all restrooms.

Meet with the team in person or virtually.

Cowboys love a hardy handshake, but a tip of the hat or other non-contact methods of greeting are the order of the day (and still very cowboy-like). Our team is happy to meet in person or virtually to assist in coordinating your logistics.
